

Space Aliens from the Pentagon

Probably the best book I have read on the subject of this possible reality of Aliens, gov. cover-ups, and so forth came to me recently after years of entertaining the idea, all the while learning about secret societies and other related info. The book is called "[Space Aliens from the Pentagon](#)" by **William Lyne**. While the former reality may seem to be a little out of this world, the info presented in this book is a lot more down to Earth.

According to Mr. Lyne, the secret societies in America and abroad have harnessed a naturally occurring "Free Energy" and have possessed and suppressed this secret for at least 80-100 years. Many people have heard of Albert Einstein and his *Theory of Relativity* ($E=MC^2$). Most would consider him a genius although it is known that he was a Grade School dropout.

Around the same time lived a man named [Nikola Tesla](#). He came to America in the early 1900's as a scientist and inventor. He was responsible for many great discoveries, but it is not mentioned in history very much. He was responsible for Radio, Television, Fluorescent and Neon lighting, Helicopters, Lasers, Particle Beams and Alternating Current.

If you haven't heard of him you should at least wonder why. William Lyne is himself an inventor and scientist. Mr. Lyne claims that when Tesla came to America, he had under his arm blueprints for possibly the world's first FLYING SAUCER and it flew without the need for external energy. He intended to present it to the Geneva Convention as a proposed solution for world peace and energy liberation.

He had theories of Magnetism and Anti-gravity as well as other forms of "Free Energy". The story goes that Einstein was working as a clerk at the Swiss Patent office at the time that Tesla was applying for his patents. Alternating Current was in the position of putting DC out of business, which meant that Edison and Westinghouse would suffer. J.P. Morgan, a Skull and Bones Banking Frontman, was financing Westinghouse and attempted to make arrangements to secure Tesla's patents through con deals and contracts.

He used Einstein's position at the patent office to rip off several of Tesla's patents and then told him outright that since it would be difficult to collect money on this "Free Energy", that it would not be used or promoted in society. Instead, *Einstein's Theory of Relativity* would prevail and *Tesla's Dynamic Theory of Gravity* would be suppressed. Today, it is impossible to locate some of Tesla's earlier patents.

The Flying Saucer project was then moved out of the country to a secret joint German / American base near the South Pole called "[Neu Schwabenland](#)" or New Berlin, which was under the control of [the Thule society](#), a secret society in Germany to which the SS belonged. Here, the crafts were perfected and outfitted with the latest technology and design.

The Nazis created propaganda back home that Hitler was in touch with a Blond-haired, blue-eyed Aryan race of beings who communicated to him that he was chosen to lead the Germanic people. There was a resurgence of Occultism in Germany at this time. Hitler was into the occult and he was a master of propaganda.

Remember, he stated "The bigger the lie, the easier to sell to the public", people believe what they want to believe. After W.W.II, during [Operation Paperclip](#), hundreds of Nazi intelligence officers were secretly brought to America and given positions in the OSS (Office of Strategic Services), the forerunner to the CIA, supposedly to gain information on the Russians, our new enemy. Along with the Nazis came the flying saucer project.

The project was brought to New Mexico, where it was worked on further. Soon there were several sightings by people of mysterious flying objects and bright flying balls of light. In 1944 and 45, there were newspaper reports about flying balls of light possibly being [advanced Nazi aircraft](#). They were called FOO-FIGHTERS. Then a couple of years later, in 1947, there was supposedly a flying saucer crash in the desert of Roswell, New Mexico, with advanced technology and even bodies of aliens recovered

This was reported on the front page of the newspaper and then it was explained away as a weather balloon. Within a few years science fiction films started coming out like crazy. ([The Day the Earth Stood Still](#) – about the threat of war and the necessity to make peace with ourselves and the aliens, and [War of the Worlds](#) – H.G. Wells, a British Intelligence Agent).

There was a time in America in the 1950's, when it was trendy to wear alien antennas on your head or a Hat shaped like a flying saucer. This was the beginning of the first wave of American propaganda. Then in the 1970's, we had *Star Wars*, *Close Encounters*, *Hanger 18*, and eventually *E.T. T.V.* movies like *Alien Nation* and "V" were shown to us and now *Sightings*, *The X-files*, and even *Roswell* the movie. There is a consistent theme that suggests *the government is involved in a super high level cosmic Watergate cover-up.*

William Lyne claims to have seen this entire drama evolve from a simple bungled crash recovery story to the elaborate present day theory mentioned before. He basically says that this is the biggest "Free Energy Cover-up" scam ever perpetrated against the people of the world. Millions and millions of dollars are poured into an elaborate propaganda complex of Authors, Ph.D.'s, Ret. Military Officials and self proclaimed "Channelers" to distribute books and videos on these ideas.

They fund UFO expos, research groups like MUFON, and UFO magazines. He even claims that he was offered money by the CIA to write phony scripts about being abducted by grey Zeta-Reticulans. He claims to have many contacts himself, through his own family and relatives and friends from previous service in the Air Force, who have confirmed this info. He claims the UFO expos are filled with disinformation agents.

Here are a couple of things to consider :

1. If you wanted to expose the government or publish books or videos on UFOs or aliens then where do you get the money to do it? Who has this kind of money lying around and is willing to invest it in these ventures? There is new information appearing that [Lawrence Rockefeller](#) has been behind the private financing of groups to discuss the UFO issue and undoubtedly promote more propaganda and lies.
2. If this is the government's biggest cover-up then how come all of this info is coming out all at once all over the place ?
3. After Bill Lyne presented this info for the first time at the UFO expo in California and was a huge success, why was he asked not to return and told that he would be better suited at the Extraordinary Experiences Expo?

There has been some speculation that the government maybe preparing to "inform" the public about the supposed alien presence and possibly even present a staged landing or invasion scenario. Either way we may soon see, depending on how carefully we are watching.

If this is the kind of technology the government had 50 and 100 years ago, then 166 mhz pentium processors are probably a far cry from REAL present day capabilities.
